Spaces are reserved on a first come basis as applications are received. Emphasis will be placed on the arts and crafts. Therefore, it is required that all goods sold are the creative work of the applicant. If your business purchases goods for re-sale, we may be able to place you in an alternate section of the festival. We reserve the right to accept or deny applications along with limiting the number of booths with the same type of craft/art work. If you are sharing a space all names along with all types of works must be on the application. When listing what type of Art or Crafts you make, please be specific. For fairness to the artisans/crafters - accepted/denied do to having to many of a certain type of work, if the items are not listed on your application, you will be asked not to display them for sale.

We will also need a copy of liability insurance for this date.

General Information: The Craft Fair will be held outside at George Mitchell Field. This is a rain or shine event. Please sign in at the Crafter information area upon arriving. Restrooms and food will be available. No refunds or space changes will be made.
